SURPRISED THE SAENGERBUND. The W. A. C. Bowlers Won Two Games.

After a lapse of two weeks league bowling was resumed last night upon the alleys of the Washington Saengerbund. Washington Athletic Club was the opposing team. The results of the game were somewhat surprising. The Saengers, erstwhile champions, and with decidedly strong ambition for the pennant this year, struggled against the defeat demon in all of the games, and losing two won the other by a very narrow margin.

On the other hand, the Athletic Club has more than a modicum of satisfaction over the result, as in last night's series they won twice as many games as they previ-ously did during the entire season. John Dietz, now manager of the Athletics, predicts good work for his team from now on. The tail end is not the fancy of these South Washington lads.

Charlie Spiess had the most monotonous run of splits in any league game of the sea-son. With ten in the first two games, he sailed into the third in like manner, his ball failing to scatter and leaving impossi-ble breaks at almost every shot. The attendance was smaller than usual

the holiday season doubtless keeping spec-The visiting team started well in the opening event, securing a lead of eighteen pins in the initial frame. In the middle of the game the Saengers smoked up, a double header by Burdine and steady work by Bruegger giving the lead to the Germans. The Washingtons had a chance to win in the last inning, but did not take advantage of it. Miller's 200 mark was not again reached during the evening.

The New Silver Certificates. Samples of the new 1809 issue of one-dollar sliver certificates are shown at the Treasury Department. They are printed from entirely new designs, and are practically free from the defects of the old issues. The numerals are very large, and thus the danger of being raised is materially reduced.
